

Job Summary

We are looking for Early Childhood Educators to join our Child Care staff team in our Infant/Toddler program. In this role you will be expected to plan and implement a program, providing children with a developmentally appropriate, safe and healthy environment. We follow all regulatory standards required by federal, provincial and municipal governments.

Job Responsibilities

As an Early Childhood Educator, you will be required to develop, evaluate and adjust programming in cooperation with the other child care staff and manager; communicate with families effectively; assist in maintaining children's records, our play spaces, etc. Light housekeeping is a part of the role, as is some documentation, staff meeting attendance, and ongoing professional development.

Education Training and Experience

- Early Childhood Infant Toddler Education (ECE-IT)
- Current BC license to practice
- Documentation in accordance with Community Care Facilities Branch licensing requirements
- Excellent interpersonal skills with parents and community members
- Willingness to work within a team setting

Qualities and Skills

- Ability to be energetic, resilient and maintain a sense of humour when personal resources are challenged
- Effective interpersonal skills under all types of conditions, exhibiting a supportive, positive approach.
- Able to perform in the physical effort for lifting, bending, stooping, carrying and reaching overhead.
- Knowledge of licensing requirements and health and safety legislation
- Well organized and ability to work autonomously with minimal close supervision

Weekly hours: 30 to 35 per week

Application deadline: Ongoing

Salary: From \$24.61 plus wage enhancement of \$6/hr

Benefits: Includes health benefits after 3 months

Work Remotely

- No

Benefits:

- Casual dress
- Dental care
- Extended health care
- On-site childcare
- On-site parking

Schedule:

- Day shift

COVID-19 considerations:

COVID-19 considerations: We have an extensive health and safety plan in place to keep educators and families healthy during this unpredictable time. As of October 2021, proof of COVID-19 vaccination is necessary.
